Company Profile

Your Fan Specialist.

Hi there.

We're your fan specialist.

Eco Breeze is a Malaysian fan manufacturer that specializes in OEM/ODM fan development and providing air cooling solutions for businesses and more.

Located in Puchong, Selangor. Eco Breeze is growing to be the leading expert in the fan industry in both the domestic and international markets.

Our timeline

2003

Originally, the company's roots started with plastic compounds supplying plastics parts for major electronic companies.

2005

Expanded into a plastic injection factory providing finished plastics parts to electronics companies.

2012

Expanded and became Eco Breeze Global as a fan manufacturer and air solution provider in August of 2012.
